ABOUT RAZOR

In the dynamic landscape of business, the right strategy can make all the difference. At Razor, we offer more than just solutions; we provide a pathway to your business's unprecedented success.

Why choose us? Our team of professionals bring over 20 years of diverse expertise, ensuring that your business receives guidance from the best in the industry. By eliminating the need for extensive outsourcing, we streamline the process, saving you time and resources.

From startup essentials like logo design and business plans to comprehensive HR support and intricate agreements for established companies, our consultancy services cover every aspect of your business journey. We tailor our strategies to your unique needs, ensuring a customized approach that guarantees results.

At Razor, we don't just talk about precision and impact—we embody it. We cut through the noise, working closely with you to understand your goals and drive your business forward. Our track record of success speaks for itself, making us the consultancy of choice for businesses ready to elevate their business.

WHAT WE DO

Contract and Commercial

We can help with everyday and complex contracting situations.

We provide a drafting or reviewing service to ensure your business is compliant and protected.

Business Consulting

Whether you're a start-up or established business, we can assist you with aspects from logo design and business plans to HR support and drafting contracts.

Bid and Tender Writing

We offer services in full bid and tender writing, reviews, and mentorship. We can also help you find government and other public contract tenders.

WHAT WE DO

HR Consulting

All-encompassing, commercially and legally minded HR consulting support, which will ensure your businesses have complete peace of mind.

Recruitment and Selection

Razor are REC registered and have many years of experience, with a particular focus on legally compliant job adverts, interview processes and drafting contracts.

Continuous Improvement

We take into consideration past performances and future aspirations when analysing the most appropriate way to recommend changes or improvements.

WHAT WE DO

Project Management

We offer project management as either a singular staffing solution or as part of a wider consultancy package, which can also include bespoke training - as required.

Training

We pride ourselves on delivering bespoke, sector specific training solutions, tailored to the needs of your company and employees.

BUSINESS MANAGEMENT

TESTIMONIALS

Sara Hira

Director and Founder, SerenitySens Ltd

“I needed a significant amount of help with my business and wasn't sure where to turn. Razor have helped me through writing the business plan and registering my company to building my website, designing the logo and creating a marketing strategy. They are still supporting me and I am so grateful for their knowledge and constant encouragement.”

Justin Napier, MD

The Academy of Beauty and Aesthetics

“The team at Razor has been so helpful. I really do recommend them based on the service I have received so far. Prompt, professional, and exactly what you would expect from a company that has your best interests in mind.”

*Danny Thurston, Co-Founder and Managing Director
Thurston Roofing Limited*

“I want to say a massive thank you to Matt and his team at Razor. We are fresh from winning, by far, the largest tender since we incorporated which is a game changer for Thurston Roofing. This is thanks to Matt's proactive, knowledgeable and professional bid writing approach. Razor were easy to work with and always got back to us quickly during the assessment and scoring making the whole process less stressful. I am amazed with the service they provided and would recommend to any company looking to broaden their horizons and win larger contracts.”

TESTIMONIALS

*James Lee, Director
Evolution Engineers*

“I engaged with Razor when my company urgently needed advice on a commercial contract. Within minutes I was on the phone with them. They were insightful, balanced and communicated throughout. I’d highly recommend the Razor Consulting team.”

*Stephen Roberts, CEO / Founder,
Sentry SL*

“We asked Razor to assist with some Legal & Compliance documentation. They responded with some great results & we will certainly be asking their assistance again. Well recommended!”

*Justin Callard-Quinche, Managing Director
Quantum Security Group Ltd*

“Quantum Security Group has achieved so much our last year we would just like to say a very big thank you to Matt Hirst and his wonderful team at Razor Consulting for all the fantastic help and support that they give us”
