

Membership Bespoke is a boutique recruitment company that is growing at a very rapid pace in a fascinating and challenging niche sector.

Great quality candidates

Membership Bespoke started working with us in 2022, posting four vacancies with us for roles including Marketing Manager and Resourcing Account manager. They have hired three people from these job advertisements. They said:

“We received a good level of applications for all of the roles we have posted on [workingmums.co.uk](https://www.workingmums.co.uk). As our time is very precious at the moment we were very selective in who we interviewed and ended up making hires 3 times from 4 adverts with only having to interview 6 people in total.”

How do Membership Bespoke rate us?

Membership Bespoke gave us an overall rating of 5 out of 5. They rate us 5 out of 5 for responsiveness, customer service, organisation and value for money. The one word they would use to describe working with us is ‘reliable’. They were ‘extremely

satisfied' with the number of applications they received, and they rated the quality of applications as 'excellent'.

"Central to our core principles is to hire people needing extra flexibility in their working lives. We are delighted to have grown our team by adding 3 hardworking, engaged and motivated working mums!"
